KITCHEN STRAINER WASTE

PDT-000528

GENERAL

Range name	TOP FIX
Finish	Polished Steel
Barcode	5056634500725
Category:	Kitchens
Sub Category:	Accessories
Sub Category 2:	Basket Strainer Wastes

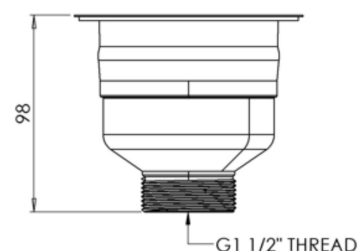

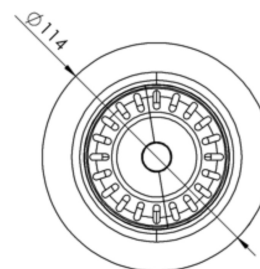

FEATURES

1. Top-Fix Installation – Fit the waste from above the sink, eliminating the need to crawl under tight spaces.
2. Fast & Easy Setup – Installation is quick and straightforward, saving time and reducing frustration.
3. Durable & Leak-Free Seal – The pre-assembled rubber seal ensures a secure, leak-proof connection for long-lasting reliability.
4. Eliminate Silicone Mess – No need for messy silicone; the secure seal is achieved with a quick drop-in installation.
5. Time-Saving for Installers – Ideal for both professionals and DIY users, reducing installation time.

COMPLIANCE

Related Standard(s):	EN 274-1:2002
DOC ref:	DOC-14-01
WRAS Approved:	No

PACKAGING

Product Weight (KG)	0.283
Single Box Length (mm)	120
Single Box Width (mm)	120
Single Box Height (mm)	110
Single Item box Weight (KG)	0.367
Outer Carton Length (mm)	620
Outer Carton Width (mm)	500
Outer Carton Height (mm)	345
Outer Carton Net Weight (kg)	17
Outer Carton Gross Weight (kg)	22
Single Item(s) Per Outer Carton	60

SPECIFICATION

Construction Material	SS & Polypropylene
Colour	Polished Steel
Product Type	Sink Strainer Waste without Overflow
Waste/Plug Type	Strainer
Waste Location Type	Sink
Waste Size	90 mm
Connection type	n/a
Outlet Thread size:	40mm (1 1/2")
