## ProLine 2 Hand Universal Pruner / 3578-75

Brand	EAN code	Use
Bellota	8414299588552	For universal pruning: vines, fruit trees and olive trees.

### Bullet points

- Will last a lifetime. High wear resistance tempered steel blades for continuous professional use.
- Perfect finish. Special blade polishing for easy and clean cutting.
- Exclusive and unique. Our 'easy adjustment' blade-counter blade is precise, simple and stable and we have PATENTED it. For an easy and clean cut.
- Shock absorbing spring with greater contact surface for effortless cutting.
- Perfect grip. Lightweight, balanced and ergonomic aluminium handle with elastomer grip. Cutting diameter: 35mm.

### Description

Two hand universal lopper with 35mm cutting diameter. The blade and counter-blade are forged from special high wear resistant steel to extend the life of the tool. It has a patented blade-counter blade adjustment system: Easy Adjust joint system is a precise, simple and stable system. It has extra shock absorbers with a larger contact surface for less effort, more cushioning and less fatigue during pruning work. Elliptical aluminium handles with Soft Touch grips for comfort during work.
