## Stainless steel tapping knife with bi-material handle 200 mm / 5900200

Brand

Bellota

EAN code

8414299635324

Use

Sealing and finishing drywall joints. To putty screw heads.

### Bullet points

Flexible, wear-resistant blade made of high-grade stainless steel. Ground, aligned and polished.  
It won't wobble. Perfect grip between handle and blade, with high resistance to screw impact.  
The most comfortable grip. Ergonomic bi-material handle with polypropylene base and core, and soft touch.

### Description

Professional American tapping knife made of high quality stainless steel, maximum durability without deterioration. Rounded blades with 90° angle, perfectly ground, aligned and polished, excellent flexibility and comfort during work (no slack). Soft bi-material handle with polypropylene base and core, excellent joint, very ergonomic and impact resistant. For taping, finishing plasterboard joints and puttying screw heads.
