American Teeth Bow Blade / 4535-21

Brand

Bellota

EAN code

8414299314397

Use

Cuts green wood

Bullet points

American toothing bow blade for cutting fresh and green wood. Made of special steel, with teeth hardened by high-frequency induction for longer life. Increased and homogeneous teeth height for improved resistance and performance. The blades are rigid and consistent, allowing for easier, straighter and safer cutting.

Description

American toothing bow blade for cutting fresh and green wood. Increased teeth height, hardened by high-frequency induction for longer life.
