APEXRIDGE®

C05S/C05 RIDGE CAPPING

ALUMINIUM DRY RIDGE CAPPING

TECHNICAL DATA SHEET

Product Details

Kytun's Ridge Capping provides a cost effective alternative to traditional tile or slate ridge. The products are available for use with either Slates, Tiles and almost any roofing application.

It provides a neat, maintenance free, lightweight and totally weatherproof finish to your roof.

Product Features

Fully compatible with most roofing applications on the market.

Advantages:

- Extremely Lightweight and Durable.
- Extremely easy and quick to install.
- Requires no maintenance once installed.
- Extensive range of colours available.
- Less obtrusive than traditional ridges for bay and conservatory roofs.
