

Technical Datasheet Universal Dry Ridge Kit

DRUA01 - ECO 5m

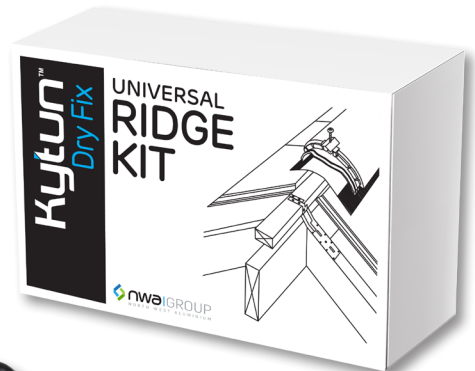

Product Details

The Kytun Dry Ridge Kit is the first truly universal system used for ventilating and mechanically fixing ridge tiles.

The unique ridge union bracket design allows for easy fixing to all concrete and clay ridge tiles. Suitable for 15° - 60° roof pitches.

Can be used with Universal, Half Round and Angled Ridge Tiles.

- A quick & simple Dry Fix Kit for Ridge Tiles
- Universal Application
- No Mortar Required
- UV Stable
- Water Resistant
