## Measuring Guide

The fit of your clothes depends on the cut/style and design of your garment. Our garments will vary in actual size as we allow for ease of fabric over the body. Measure your body accurately to determine what size clothes you would be best buying.

### A Bust

Measure around the fullest part of your bust.

### B Waist

Measure around the waist at the height at which you would normally wear your trousers.

### C Hip

Measure around the fullest part of your hip.

### D Inside Leg

Measure from the crotch to where your trouser leg is normally worn at the ankle.
