DEWALT 24L 2.5HP 230V OIL-FREE DIRECT DRIVE COMPRESSOR

2.5 HP

24 L

10 BAR

NO OIL

88 dB(A)

APPLICATIONS & USES

- A LIGHT AUTO MAINTENANCE & GENERAL WORKSHOP
- B TYRE INFLATION, BLOW-OFF GUNS
- C MEDIUM-DUTY NAILERS & STAPLERS
- D SMALL HVLP SPRAY GUNS

PRODUCT OVERVIEW

The **DEWALT 24L 2.5hp 230V Oil-Free Direct Drive Compressor** is a robust and versatile direct-driven air compressor perfect for providing dependable compressed air that meets the demands of use in light automotive maintenance and general workshop use, tyre inflation, blow-off guns, medium-duty nailers and staplers, and HVLP spraying jobs.

With a reliable 9.1CFM output and a twin-cylinder motor that offers quieter and smoother performance than single-cylinder models, it is designed to provide reliable performance whatever the task. A wheel-mounted design with anti-vibration feet and a long U-handle ensure mobility in work area, offering both flexibility and durability in use.

ADVANTAGES

DIRECT DRIVE TRANSMISSION FOR CONSISTENT OUTPUT IN DEMANDING TASKS

- Delivers positive transmission drive for proven, reliable and efficient everyday use.
- Robust 2.5hp (1.8kW) twin-cylinder 2850rpm brushless induction motor enables the compressor to meet performance capabilities, while offering significantly quieter, smoother operation than brushed alternatives perfect for precision tasks.

OIL-FREE OPERATION FOR LOW MAINTENANCE USE & HIGHER QUALITY AIR

- This ensures no oil carry-through for cleaner air to tools and equipment, and offers easier movement compared to oil-lubricated models with more potential to spill.
- No oil contamination ensures clean and dry air ideal for spraying and finishes.

BUILT-IN TANK PRESSURE & WORKING PRESSURE GAUGES OPTIMISE AIR DELIVERY

- Panel with tank and working pressure gauges for accurate display and enhanced use.
- Fitted Euro quick-release connector for faster, safer tool and equipment changeovers.
- An air regulator allows for working pressure adjustments.

INTEGRAL HOSE STORAGE FOR ADDITIONAL VERSATILITY & TOOL STORAGE

- The front-mounted reel allows for safe and tidy use and storage of air hoses (not supplied). DXCMH05E 5m, DXCMH10E 10m and DXCMH20E 20m sold separately.

EXTRA-LARGE WHEELS, SWIVEL CASTORS & U-HANDLE FOR INCREASED MOBILITY

- Allows full movement in a variety of work area settings for added flexibility.
- Double anti-vibration feet help lessen vibration in use and reduce operating levels.
