All the freebies and product launches can't stop her feeling empty. All the glamour is scripted, and she's not even sure who she is anymore. When Aurora's 'momager' pushes her towards yet more fame, she decides to make herself disappear. But can she find herself, or is she lost forever?

The Maze Runner by James Dashner

Was: €14.50 Now: €11.60

When the doors of the lift open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade – a walled encampment at the centre of a bizarre maze. Like Thomas, the Gladers don't know why or how they came to be there – or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything to find out.

Every year Isabel spends a perfect summer at her favourite place in the world - the Fisher family's beach house. It has everything a girl could want: a swimming pool, a private stretch of sandy beach and two brothers: Conrad - who she's been in love with forever and Jeremiah - the only one who's ever really paid her any attention. But this year something is different. This year, the boys seem to really *notice* her for the first time. It's going to be an amazing summer and one she'll never forget.
